Reviews

We will review sessions on a regular basis to ensure you feel you are getting the most out of therapy; you are not tied into any commitment and you can end sessions at any time. If I consider your requirements beyond my competence, I reserve the right to terminate our contract, this will be discussed in the session and recommendations will be provided.

As a fully accredited member of the BPS (British Psychological Society) and HCPC (Health & Care Professions Council), I adhere to their ethical framework and guidelines to ensure that you receive a professional and quality service.

Information we collect about you and how we use it

Upon starting therapy, basic personal information will be collected for contact and identification reasons. During our therapy meetings, an assessment of your psychological health will be completed, and notes will be taken during sessions. These will include personal and sensitive details about your life. The assessment and notes are used solely for the delivery of a therapy service to you.
